BOURBON MAN LIKELY TO LOSE GOOD JOB

The daily papers of Saturday carried the following story regarding the probable replacement of Frederick A. Wallis, of Paris and New York, as Commissioner of Immigration at New York, by a Republican aspirant:

"Frederick A. Wallis, for a number of years Commissioner of Immigration for the port of New York, and well-known in Kentucky, where he was born and married, is slated to lose his present position. His success, as announced in New York by Charles D. Hilles, Republican National Committeeman from New York State, will be Robert E. Tod, New York banker and well-known yachtsman, and his nomination is expected to be sent to the Senate for confirmation within the next few days.

"Mr. Wallis, the retiring commissioner, was born at Hopkinsville, Ky., married Miss Clay, of Bourbon county, and is well-known throughout Kentucky. Mr. Wallis has not announced his plans for the future."

—Quite a number were taken into Eastern Star Chapter, Friday evening, after which a delightful banquet was held, which was enjoyed by all present.

—The baseball game Saturday afternoon between M. M. I. and Winchester High School, on the Millersburg High School grounds, resulted in a score of 3 to 2 in favor of Millersburg.

—The Sunday School of the Christian Church is putting on an interesting program every Sunday at the opening of Sunday School. This program will be conducted next Sunday by the officers and teachers.

—Mr. O. L. Potts is closing out his grocery stock at reduced prices. Saturday was the first day of his closing-out sale, and he enjoyed a large trade. He expects to close his business out by June 1st. He has not yet determined what line of business he will enter next.

—State officials of the American Legion, headed by Maurice K. Gordon, of Louisville, State Commander, will visit Millersburg next Thursday afternoon at 2:15 o'clock, in the interest of the Legion and "One Hundred Per Cent. Americanism." Addresses will be delivered in the park by members of the party. Local members of the American Legion will be on the reception committee.

—The following took membership at the Presbyterian church by statement Sunday morning: Misses Elizabeth and Katherine Jones, Charlotte Redmon, Nancy Layson; Messrs. William and Chontrell Layson, Charlotte Redmon and the three Layson candidates also received the ordinance of baptism, the Misses Jones having been baptized in infancy. Mr. and Mrs. A. C. Strode also united with the church by letter, their letters coming from Chester, Mont.

—The Commencement exercises of the Millersburg Military Institute will be held Saturday, and Tuesday, with the following program: Saturday, May 21, 9:00 a. m.—Competitive Drill on New College grounds; 4:00 p. m.—Annual Reception on grounds; Tuesday, May 24—9:00 p. m.—Play at the Millersburg Opera House. All friends and patrons of the Institute are cordially invited to attend these exercises. The play will be given under direction of Mrs. C. M. Best.

—The High School Commencement exercises began here Sunday night, with the baccalaureate sermon Sunday night, by Rev. C. H. Greer, pastor of the Paris Methodist church, at the High School Auditorium at 8:00 p. m. The large auditorium, which has a seating capacity of more than seven hundred, was full. Rev. Greer delivered a forceful discourse, which was enjoyed by all who heard him. A delightful program was rendered, which was largely made up of the Community Choir. On Monday evening the students of the High School department entertained the Senior class with a reception. A large number of invitations were issued, most of which were responded to. It was a brilliant occasion. The color scheme was beautifully carried out, and the music was in harmony with the occasion. The event carried us back to days of the M. M. I. receptions, and, notwithstanding the fact that this is the first High School Commencement exercises Millersburg has ever enjoyed, it promises to be almost a full week of profit and pleasure, such as we seldom had before. If the entertainments that are to follow are in keeping with those that have passed, it will certainly be a brilliant occasion. The entire day Wednesday will be taken up on the grounds, at 10:00 a. m., flag raising; 11:00 a. m., address in the auditorium; at noon an old-fashioned basket dinner; (let everybody come and bring well filled baskets); 2:00 p. m., Pagan play on the lawn by the entire school. Thursday, 8:00 p. m., commencement exercises, address by Hon. George Colvin, of Frankfort, Superintendent of Public Instruction. Friday at 10:00 a. m., entertainment by P. T. A. Don't forget the play to-night at the auditorium.
